

# Stage & Sell Your Home with FENG SHUI \*New\*

## Informative workshop on Staging, Selling & Buying property using Feng Shui.

Learn the importance of de-cluttering; organizing and de-personalizing a home that is for sale in today's market. Understand the positive factors of the best location and exterior influences. Homeowners are often overwhelmed with the stress of selling or finding a new home that they are not focused on making their home look appealing. Never underestimate curb appeal... after all you only have one opportunity to make a first impression!
